**Subject:** Directors: R6 Exempt/NAF Activities  
**Attachments:** [R6 Comp Exempt Priorities Utilizing NAF 13Jan19.xlsx](#)

---

Directors: Attached is the compilation of the activities identified by the units for using P&T and/or prior year funds.

Directors are asked to review the spreadsheet and identify those activities which fall under your area of responsibility, prioritize them according to what can be achieved during the furlough, and be prepared to discuss at this teleconference.

All Directors are welcome to join the RFT in the RF's Small Conference Room; otherwise, please dial in as noted above.
